Bureau for Management Services

Agenda

- I. About UNDP
- II. Procurement Statistics (UNDP, Korean Suppliers)
- III. Access to the information
- IV. UNDP Tender – example walk through
- V. Annexes

About UNDP

1. We work with:

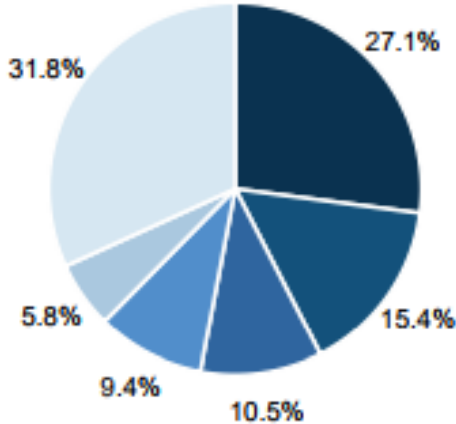

- ❖ National Governments
- ❖ Private Sector
- ❖ Institutions
- ❖ Civil Society Organizations

2. Global footprint: 177 countries - 5 Regional Bureaus

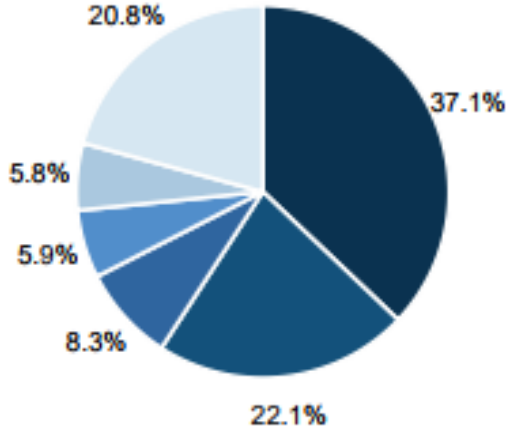

What We Buy

CATEGORIES DISTRIBUTION

Goods

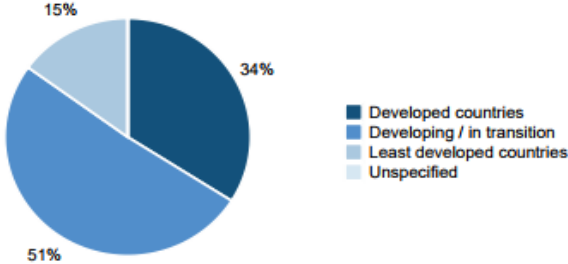

- Pharmaceuticals, contraceptives, vaccines
- IT and communications equipment
- Medical equipment
- Motor vehicles and parts
- Sports and recreational equipment
- Other

Services

- Management and admin services
- Engineering and research services
- Transportation, storage, mail services
- Travel, food and lodging
- Building and maintenance services
- Other

PROCUREMENT SHARE:

- Developed countries
- Developing / in transition
- Least developed countries
- Unspecified

Section 3: Bid Data Sheet

2		Submitting Bids for Parts or sub-parts of the Schedule of Requirements (partial bids)	<p>Allowed</p> <p>Bid is to be submitted per lot basis.</p> <p>Bidders are allowed to bid for one or more lots.</p>
20		Maximum expected duration of contract	Three years
21	35	UNDP will award the contract to:	<p>One or more bidders, depending on the following factors:</p> <ul style="list-style-type: none"> ➤ Each Lot award for up to three lowest priced and technically compliant bids (responsive bids) ➤ Maximum number of LTA vendors = up to 15 (i.e., up to 3 LTA vendors * 5 Lots)
27		LTA Usage through secondary competition	<p>During the course of the LTA, the LTA holders will be invited to quote, through an informal secondary competitive bidding process. Request for quotation will specify the type of electric tricycles or scooters and other information as needed.</p> <p>Orders for a specific project will be placed by issuing Purchase Orders and the General Terms and Conditions of LTA that will be in force. The Purchase Order will be awarded based on a total price, compliance with local regulations, local support availability and delivery lead time.</p>

Part II: Section 4 - Evaluation Criteria

Preliminary Examination Criteria

Bids will be examined to determine whether they are complete and submitted in accordance with ITB requirements as per below criteria on a Yes/No basis:

- Appropriate signatures
- Letter of authorization to act as Agent on behalf of the Manufacturer, if bidder is not a manufacturer (If the bidder is not the manufacturer of the electric tricycles, solar-powered electric tricycles, electric cargo tricycles, lithium battery, and/or solar panel, the respective letter(s) of authorization from the manufacturer(s) must be provided.)
- Minimum Bid documents provided
- Bid Validity for 120 days
- Language of the proposal should be in English

Section 4: Evaluation Criteria

Minimum Eligibility and Qualification Criteria

Eligibility and Qualification will be evaluated on a Pass/Fail basis.

If the Bid is submitted as a Joint Venture/Consortium/Association, each member should meet the minimum criteria, unless otherwise specified.

Subject	Criteria	Document Submission requirement
ELIGIBILITY		
Legal Status	Vendor is a legally registered entity.	Form B: Bidder Information Form
Eligibility	Vendor is not suspended, nor debarred, nor otherwise identified as ineligible by any UN Organization or the World Bank Group or any other international Organization in accordance with ITB clause 3.	Form A: Bid Submission Form
Conflict of Interest	No conflicts of interest in accordance with ITB clause 4.	Form A: Bid Submission Form
Bankruptcy	Has not declared bankruptcy, is not involved in bankruptcy or receivership proceedings, and there is no judgment or pending legal action against the vendor that could impair its operations in the foreseeable future.	Form A: Bid Submission Form
Certificates and Licenses	<ul style="list-style-type: none"> ▪ Duly authorized to act as Agent on behalf of the Manufacturer, or Power of Attorney, if bidder is not a manufacturer. ▪ Patent Registration Certificates, if any of technologies submitted in the Bid is patented by the Bidder. ▪ Export/Import Licenses, if applicable 	Form B: Bidder Information Form
QUALIFICATION		
History of Non-Performing	Non-performance of a contract did not occur as a result of contractor default for the last 3 years.	Form D: Qualification Form

Section 4: Evaluation Criteria

Previous Experience	Minimum 3 years of relevant experience supplying either electric tricycles, solar powered tricycles or electric scooters globally.	Form D: Qualification Form
	Minimum 3 contracts and/or Purchase Orders of total USD 300,000 for supply of required tricycles or scooters implemented over the last 5 years. <i>(For JV/Consortium/Association, all Parties cumulatively should meet requirement).</i> Each Purchase Order / contract shall clearly indicate: the model, the item quantity, contract amount, date of bid, and contact details of bidder's referee.	Form D: Qualification Form
	A key project manager that will provide support on the LTA coordination should have minimum 5 years relevant working experience and good English language proficiency.	Form E: CV of Proposed Key Personnel
Financial Standing	Minimum average annual turnover of USD500,000 for the last 3 years. Quick Ratio (current assets / current liabilities) > 1.0. <i>(For JV/Consortium/Association, all Parties cumulatively should meet requirement).</i>	Form D: Qualification Form
	Bidder must demonstrate the current soundness of its financial standing and indicate its prospective long-term profitability. <i>(For JV/Consortium/Association, all Parties cumulatively should meet requirement).</i>	Form D: Qualification Form
Technical Evaluation	The technical bids shall be evaluated on a pass/fail basis for compliance or non-compliance with the instructions identified in the bid document.	Form E: Technical Bid Form and Annex 1
Financial Evaluation	The financial bids shall be evaluated through detailed analysis of the price schedule based on requirements listed in Section 5 and quoted by the bidders in Form F (Annex 3). Price comparison of each Lot shall be based on the total landed price of Part 1 and Part 2 outlined below: Part 1: To be quoted by the bidder Unit price of the product based on Incoterm FCA to nearest port from the manufacturing	Form F: Price Schedule Form and Annex 3.

Section 5: Specification

Section 5a: Schedule of Requirements and Technical Specifications

In order to promote the use of renewable energy and SDG 7: Affordable and Clean Energy, UNDP intends to establish multiple Long-Term Agreements (LTA) with qualified suppliers to supply either Electric Tricycles, Solar Powered Tricycles or Electric Scooters available in the global market as per following lots:

Lot 1: Supply of Electric Passenger Tricycles

Lot 2: Supply of Solar Powered Electric Passenger Tricycles

Lot 3: Supply of Electric Cargo Box Tricycles

Lot 4: Supply of Electric Open Cargo Tricycles

Lot 5: Supply of Electric Scooters

The need for the Tricycles and Scooters will depend on the requests from the Country Offices. Bidders can submit bids on any Lots above that meet the specifications as specified in Annex 1: Technical Evaluation Forms. Sample pictures of the item for each Lot are provided in Annex 2 (the pictures for illustration purpose only).

Delivery Location:

It is expected that the selected vendor delivers the tricycles to any of the countries located under the following regions:

- a) Asia and the Pacific Region (RBAP)
- b) Africa (RBA)
- c) Latin America and the Caribbean (RBLAC)
- d) Europe and CIS (RBEC)
- e) Arab States (RBAS)

The list of countries in each region is provided in **Annex 4** (excluding countries where UNDP does not expect demand, i.e., Europe, China, North Korea). Bidders are expected to provide remote support to any country listed in Annex 4, where goods would be supplied. In addition, bidders need to indicate their local partners for services in **Annex 1**.

Section 6: Bid Forms

Section 6: Returnable Bidding Forms / Checklist

This form serves as a checklist for preparation of your Bid. Please complete the Returnable Bidding Forms in accordance with the instructions in the forms and return them as part of your Bid submission. No alteration to format of forms shall be permitted and no substitution shall be accepted.

Before submitting your Bid, please ensure compliance with the Bid Submission instructions of the BDS 22.

Technical Bid:

Have you duly completed all the Returnable Bidding Forms?	
▪ Form A: Bid Submission Form	<input type="checkbox"/>
▪ Form B: Bidder Information Form	<input type="checkbox"/>
▪ Form C: Joint Venture/Consortium/ Association Information Form	<input type="checkbox"/>
▪ Form D: Qualification Form	<input type="checkbox"/>
▪ Form E: Format of Technical Bid	<input type="checkbox"/>
▪ Annex 1: Technical Evaluation Forms	<input type="checkbox"/>
▪ Form H: Performance Security (not required)	<input type="checkbox"/>
Have you provided the required documents to establish compliance with the evaluation criteria in Section 4?	<input type="checkbox"/>

Price Schedule:

▪ Form F: Price Schedule Form	<input type="checkbox"/>
▪ Annex 3: Financial Evaluation Form	<input type="checkbox"/>
• Annex 3A: Financial offer for one or more Lots.	<input type="checkbox"/>
• Annex 3B: Packing details: Provide the corresponding packing details for the product in each Lot bid.	<input type="checkbox"/>

Section 6: Form B – Bidder Information

Please attach the following documents:

Mandatory:

- Company Profile, including printed brochures and product catalogues relevant to the goods and/or services being procured.
 - Please provide sufficient document (including pictures, product brochures, and/or catalogues) to show the detailed technical specifications of electric/solar-powered tricycles, scooters, lithium battery and solar panel proposed in **Annex 1**.
 - Please provide equivalent international certification for **Product** (i.e. CE/CB/EEC certificate), **Battery** (i.e., RoHS, TUV, UN38.3 test cert and **Solar Panel** (i.e. CE, IEC 61215, IEC 61730, IEC 61701)) as requested in **Annex 1**
- Certificate of Incorporation/ Business Registration
- Certification or authorization to act as Agent on behalf of the Manufacturer, or Power of Attorney.
- Export Licenses (for bidders only)

Please kindly note that UNDP will conduct thorough due diligence review on a supplier who will supply the electric/solar powered tricycles and related after-sale services to UNDP, and a manufacturer of electric tricycles, electric scooters, lithium battery and/or solar panel. Therefore, some of the aforementioned documents are required for a manufacturer of electric tricycles, electric scooters, lithium battery and/or solar panel and a bidder.

Section 6: Form F – Price Schedule

Annex 3A Financial Offer (to be completed by bidder)

Lot 1 - Electric Passenger Tricycles

Code	Item	Model	FCA Port (FCA, nearest port to manufacturing location. The FCA port can be either seaport or railway station in the departure country)	Unit price: USD (A)	Pre-Delivery Inspection Cost based on Incoterms 2020:FCA (B)	Cost for remote support on installation/training: USD (C)	Subtotal (D)=(A)+(B)+(C): USD	Destination Country	Quantity (E)	Total (D) * (E): USD
1	Electric Passenger Tricycles (including battery)						0	Gambia	15	0
								Nepal	15	0
								Yemen	15	0
								Honduras	15	0
								Uzbekistan	15	0
Subtotal for Lot 1: USD									0	

Annex 3D Financial evaluation form (For UNDP use only)

Financial Evaluation Form

Code	Item	Quantity	Subtotal for supply of goods (Part 1): USD	Subtotal for international freight service for each Lot (Part 2): USD	Total for each Lot : USD (Part 1 + Part 2)
1	Lot 1: Electric Passenger Tricycles (including battery)	75 units in Lot 1			0
2	Lot 2: Solar Powered Electric Passenger Tricycles (including battery and solar panel)	75 units in Lot 2			0
3	Lot 3: Electric Cargo Box Tricycles (including battery)	50 units in Lot 3			0
4	Lot 4: Electric Open Cargo Tricycles (including battery)	50 units in Lot 4			0
5	Lot 5: Electric Scooters (including battery)	50 units in Lot 5			0
Grand total for Part 1 and Part 2: USD					0

Note:

The column F, Subtotal for supply of goods, to be provided by bidder in sheet 3A financial offer.

The column G, Subtotal for international freight service for each Lot, to be provided by UNDP's designated Freight Forwarder in sheet 3C international freight cost.

Upcoming Tenders: Global/Regional LTAs

- ❖ Engineering design and consultancy services (regional LTAs for Africa and Asia-Pacific regions)
- ❖ Agriculture machineries: tractor, implements (global LTAs)
- ❖ Construction equipment: dump tipper truck, excavator, grader, backhoe, crane (global LTAs)
- ❖ Drones: mapping, survey, agriculture, submersible (global LTAs)
- ❖ Electric and hybrid vehicles: sedan, SUV (global LTAs)
- ❖ Waste management equipment: (global LTAs)

UNITED NATIONS DEVELOPMENT PROGRAMME

PROJECT DOCUMENT
PHILIPPINES

Project Title: Paving the Road to the SDGs through Good Local Governance
Project Number:
Implementing Partner: UNDP
Start Date: 29 December 2017 **End Date:** 21 June 2019

Brief Description

Efficient, resilient, and well-planned road networks ensure that no one is left behind in the drive for inclusive growth. This is why roads are considered as an important foundation for the Sustainable Development Goals (SDGs), and a prerequisite for bringing communities together.

At present, only 24.6% of all provincial roads in the Philippines are of acceptable quality. Of the 12,726km of provincial core roads, 57.2% are unpaved and in need of upgrading, while 20.2% are in poor condition and in need of rehabilitation. The situation is similarly dire for the 19,098 km of non-core roads, with 67% needing upgrading and 7% in need of rehabilitation. To address this situation, the Department for the Interior and Local Government (DILG) has launched the Conditional Matching Grant to Provinces (CMGP) initiative to improve the quality of the local road network across the country, by providing both financial investment for capital outlay, as well as strengthening the governance processes so that provincial governments are themselves able to effectively plan, design, implement and maintain their road networks.

In partnership with DILG, UNDP will provide support to the governance reform and quality assurance components of CMGP through the 'Road to SDGs' framework. This framework will anchor the prioritisation, planning, design, implementation, and maintenance of infrastructure projects to the achievement of the SDGs, incorporating the elements of partnership building, climate change and disaster risk reduction, gender mainstreaming, and citizen participation for transparency and accountability.
